GAME NOTES:

Eastlake is currently in first place in the KingCo 4A “Lake” division, and holds a slim 1 point lead over Inglemoor. The Wolves previous game was played last Tuesday night against Juanita at Eastlake under a steady drizzle. Neither team managed many serious threats and few shots on goal. The game was tied 0-0 after regulation and ended in a 0-0 tie after two full regulation periods. The Wolves stingy defense continues to impress and the offense is hoping to make a strong contribution tonight against Redmond who is tied with Roosevelt for first place with 6 total points in the “Mountain Division” of KingCo 4A.

GAME NOTES (Continued):

After tonight's contest, the Wolves return home on Tues. March 27th when Ballard visits Eastlake.

The game's story in-a-story tonight recognizes that many of the players on these two teams have been teammates (and in some cases, opponents) on Premier soccer teams (Crossfire Premier, Eastside FC and others) for many years and know each other's style of play well. Watch for some knowing smiles between teams tonight both during and after the game!
